

The Museum Celebrates Spring

Entertainment programme from 11th April to 10th May 2015

The Museum celebrates spring with a range of activities during the holidays! In this breeding season, our little fish lay their eggs giving life to some of the most beautiful marine species. Fun and educational workshops await you, revealing the secrets of our aquariums.

SPECIAL "SPRING" ENTERTAINMENT

Whose is this egg?

Spring is the start of a favourable breeding period, even under the water! Elaborate displays of courtship and mating are on the agenda for numerous species wishing to ensure their survival by laying their eggs. Round, rectangular or any other extravagant shape, these little eggs contain a lot of surprises. Entertainment for all ages.

- Every day at 3.15pm and 4.15pm > Meet in the Albert 1st Room (level 1)

Creative workshop: "Draw me a shark" *

Sharpen your pencils and take a good look around, a thousand colours await you under the sea! This drawing initiation workshop allows you to discover several specimens in the aquariums and to learn how to devour them, not in a literal sense, but through the eyes of an artist!

Supplement of 5€ per person, maximum 10 people per session, WITHOUT reservation. Artistic materials provided.

- Every day from Saturday 25th April to Sunday 10th May, with the exception of Monday 4th May. Workshops at 1:30pm, 3pm and 4:30 pm > Meet in the Entrance Hall (Level 0)

Tortoise encounter

Who is hiding behind the world's third largest shell? Come and find out on our rooftop terrace. A guide will reveal the unique characteristics of these African Spurred Tortoises who arrived on "Turtle Island" in 2012 and who now breed at the museum. You will also get to meet the baby tortoises born in 2014.

- Every day at 5.15pm > Meet on the rooftop terrace (level 2)
